February 2023 News

How your donations impacted South Georgia in 2022

In 2022, GVUW distributed \$800,000 into the community. The funds went to support our local nonprofits, community grants, and internal programs.

20 of our partner nonprofits' programs were able to provide critical services due to GVUW support of \$650,000

More than 500 volunteers donated 2,000 hours of time to address the changing community needs

An additional \$150,000 invested back into local nonprofits and the South Georgia region through grants and GVUW internal programs

What's To Come

GVUW staff and board will be conducting Community Investment Interviews for the programs and services to be funded this year. Funding will begin March 1.

We are currently accepting applications for our 2023 Board of Directors! Our goal is to have board representation from each of the 11 counties we serve. If you or anyone you know is interested in serving the community as a board member, download our application [HERE](#).

Campaign Update

The "Uniting for More" campaign has surpassed its goal! Thank you to all of our local donors for giving! You all truly make a difference in the community.

Small donations add up!
Change lives for as little as \$5 a month.

$\$5.00 \times 20,000 \text{ People} = \$100,000$
 $\$100,000 \times 12 \text{ Months} = 1,200,000$

January Highlights

Crossroads Baptist School's Rota Cadet students spent an afternoon filling the food pantries at the GUVW office and at Partnership Health Center! We are so grateful to those who give their time to support others! Thank you!

Through the efforts of GUVW, Ex-NFL Player Adrian Peterson returned to Valdosta to visit S.L. Mason Elementary School, W.G. Nunn Elementary School, and J.L. Newbern Middle School to promote the well-being and mental health of our youth.

A group from the 824th Base Defense Squadron at Moody AFB gave their time to volunteer! They served four of our local nonprofits by completing various service projects! Thank you for your time and service.
